

# Amateur Radio Club QSO Party Rules

Objectives are to publicize all participating radio clubs ages & history while encouraging activity on the bands and club station activation.

Sponsored by the South Jersey Radio Association K2AA. Contact Ken K2WB at [clubQSO@SJRA.org](mailto:clubQSO@SJRA.org) with any questions.

Period: June 17, 2017 00:00 UTC to June 19, 2017 23:59 UTC

Objective: Work as many Amateur Radio Club members as possible and Listed Amateur Radio Club Stations

Bands: All Amateur radio bands with the exception of 60m, 30m, 17, & 12m, and all modes including repeater contacts will be accepted.

## I. Exchange:

- A. Club Members: Call / (club age) + Name +ARRL Section
  - 1. International Club members in countries whose rules prevent sign / # can give their club acronym, such as Limerick Radio Club would be "LRC"
- B. Non-Club Members: Call + Name + ARRL Section, DX would be DX

## II. Scoring:

- A. Work each station once per band/mode. It is possible to work stations on multiple bands and modes.
- B. Multiplier will be the number of unique Club Members worked. You can work the same Club Members in other modes and bands. However a Club member will only count once as a multiplier. Club Members are also included in the QSO count.
- C. Multiplier will also be the Number of all ARRL Sections worked. Each Section can be worked once regardless of band and mode.
- D. Bonus 100 QSO Pts for contacting approved Club Stations (see club Station appendix)
- E. Modes allowed:
  - 1. CW
  - 2. Phone – SSB/FM/AM (FM, AM, LSB and USB count as the same mode), Repeater contacts count as phone.
  - 3. Digital – PSK/JT65/RTTY etc.
